Dear Feng,

Congratulations, the Services Committee has awarded your application a grant in the amount of **\$1,000.00**.

Your grant funding can be applied towards any of the following expenses related to your conference:

- Registration fees (does not include organizational memberships)
- Travel expenses
- Accommodation expenses (does not include food)

Reimbursement

Please ensure that you keep all original receipts for approved expenses to be submitted for reimbursement. We do not accept photos of a receipt as proof of payment. We can accept scanned copies of a receipt if the entire receipt is visible, and it is scanned with a flat scanner (not a cellphone app). **If your conference requires you to make foreign currency transactions(USD/Euro etc.), please submit a clear scan of debit card/credit card/bank receipt which shows the actual conversion in CAD for the expense you will be claiming for reimbursement.**

You can find the procedures for submitting your receipts for reimbursement as well as download the reimbursement form online at <http://trusu.ca/grants/reimbursement/>.

Reporting

Within seven days of attending your conference, you are required to submit a post-activity report outlining your activity and its value to participants. You can fill out the Post-Activity Report online at <http://trusu.ca/grants/report/>. Finally, we ask that you take a group photo at your conference, if possible, that can be submitted online with your report.

Please feel free to contact me if you have any questions.

Sincerely,

Mohammad Mujtaba Tabrez(Mjaye)
